

MFF recent community engagement

500 flyers were distributed to families of K - 12 students. Tips for managing stress were highlighted to help parents engage more calmly with their kids.

Stacie LeBlanc, JD, Up Institute/No Hit Zones
Shahenda Aly, MD, Lowell General Hospital
Maureen Mahoney, MFF
Shirley Pimentel, Lowell Boys & Girls Club

Our breakfast event included local politicians, police, doctors & parents who listened to several talks from a pediatrician, family law attorney, and child advocate. Ways to de-escalate tense family situations and how a child's brain processes negative discipline were some of the discussion highlights.

The Mahoney Family Fund is a fiscally sponsored fund of the Greater Lawrence Community Action Council (GLCAC).

We support families and communities to help create safe and happy places for kids to learn, grow and thrive.

What We Do

The Mahoney Family Fund (MFF) brings educational programs to numerous communities that support healthy and nurturing family dynamics. In this environment, children and teens can learn, grow and thrive.

MFF works with local and national experts to present timely research, data and knowledge on the prevention of child abuse and domestic violence.

Who We Are

The MFF is a dedicated group of volunteers who collaborate with area nonprofits and organizations striving to maintain our mission to mitigate child abuse and domestic violence.

The [Place of Peace](#), a tranquil park on Long Pond, was formed through a community effort to honor the legacy of Dr. Hugh, Ruth and John Mahoney.

The MFF had its inaugural event in 2015 with a tribute to the late Dr. Hugh, Ruth & John Mahoney.

Over \$75,000 has been raised to support MFF's mission.
